

Reminder regarding the use of mobile phones and other recording devices on the school campus.

- **It is school policy to ban the use of mobile phones on the school campus, in any way or for any purpose by pupils during school hours or while participating in any school related activities.**
- **Mobile phones are intrusive, inconvenient and distracting in a school situation. In addition to the inconvenience, mobile phones are a potential for, and real source of, bullying and abuse through text messaging and through the dissemination of inappropriate images on social media.**
- **All communication devices are also strictly prohibited as per the code of behaviour.**
- **Essential contact with home can be facilitated through the school.**
- **If a phone is seen, or rings, or is used in any fashion during school hours, it will be confiscated and retained in the Principal's office until it is collected by a parent/guardian.**
- **The possession or use of mobile phones during school hours on the premises, or while participating in any school related activities will be treated as a serious breach of school discipline.**

For any further information regarding our policy around the usage of mobile phones, please refer to the code of behaviour.
