AOB:

Jane got sample shorts which might be used for PE as an option for students. Cost per pair to student is €8.00. Michelle going to give to Student Council and get feedback from students and staff on them. Discussion re TY enterprise and picking a better venue for the showcase. Discussion re bag drop for parents so that kids can then walk to school. Michelle will investigate. Tramore 4 run to be done in aid of running track this year. Discussion re parent teacher meetings, still might need some tweaking. Was suggested not having meetings during the pre's and also not doing while TY are out on work experience as parents are caught for time as they are collecting from work. Michelle handed out sample surveys re homework/study for our feedback re sending one out to all parents in school.
